Rolla, Missouri 65402

Dear Council Members:

We our land owners in section 4 Township 55N Range 30 west in Clinton County, Mo. There is a old abandoned gas well located on our property that was drilled in 1952. The well was never permitted or bonded since it was drilled.

The well was used to supply gas for residential use only and was never commercially produced. Since the well is dry and not capable of providing gas for our residence or commercial production , we decided to plug the well. This will allow us to use the old abandoned well location for other needs.

We our sending a OGC-7 form with this letter.

Sincerely,  
Mark and Keri Lawson
